

OHIO RIVER VALLEY SOILS SEMINAR 50

“50 Years of Geoproggress”

KENTUCKY GEOTECHNICAL ENGINEERING GROUP
50TH ANNUAL OHIO RIVER VALLEY SOILS SEMINAR
WEDNESDAY, NOVEMBER 13, 2019
BROWN & WILLIAMSON CLUB – CARDINAL STADIUM
2800 S FLOYD STREET
LOUISVILLE, KENTUCKY 40209

The 50th Ohio River Valley Soils Seminar (ORVSS L) will be an ode to 50 years of geoproggress. The seminar will include a review over most of the principal areas of geotechnical practice, from what was being done in 1970 when this seminar started, to all the changes that have occurred in the last 50 years with the consequent improvement in practice, to predictions of what the next ten years will bring, possibly highlighted by topics and stories that were featured in the Proceedings of this Seminar over the years.

GENERAL INFORMATION

Exhibitor Registration Contact:

Travis Andres, PE
ATC Group Services
Phone: (502) 693-9412
Email: travis.andres@atcgs.com

Exhibitor Registration: \$550
Returning Exhibitor Registration: \$500

Exhibitor fee includes one individual registration. An additional individual registration is \$100.

Individual Registration:

Student Registration: \$25
Early Registration: \$175
Regular Registration (after October 18th): \$225

Registration includes:

- Seminar admission and Exhibitor’s Fair
- Coffee and pastries during registration
- Morning and afternoon refreshment breaks
- Lunch
- Ticket for door prizes
- Flash drive of ORVSS L Proceedings
- Certificate for 7.5 PDHs

Location and Lodging:

Brown & Williamson Club – Cardinal Stadium
2800 S Floyd Street
Louisville, KY 40209
Phone: (502) 852-2779

Tentative Agenda – November 13, 2019

7:00-7:45 am	Registration
7:45-8:00 am	Welcome Remarks
8:00-8:55 am	Technological Innovation and the Changing Face of Geopractice [Youssef Hashash, University of Illinois]
8:55-9:50 am	Evolving Geopractice in Transportation Engineering 1970-2019 [Silas Nichols, FHWA]
9:50-10:05 am	Break
10:05-11:00 am	Evolutions for Shallow Foundations/Ground Modifications 1970-2019 [Kord Wissmann, Geopier]
11:00-11:55 am	Changes in Geopractice for Deep Foundations (especially Micro-piles)1970-2019 [Allen Cadden, Schnabel]
11:55-1:00 pm	Lunch
1:00-1:55 pm	Evolution of Earth Dams and Retaining Embankments 1970-2019 [Eric Halpin, Consultant]
1:55-2:50 pm	Development of Geosynthetics 1970-2019 [Barry Christopher, Geotechnical Engineering Consultant]
2:50-3:05 pm	Break
3:05-4:00 pm	Transformations of Excavation Retention Systems 1970-2019 [Rich Finno, Northwestern University]
4:00-4:55 pm	Possible Regression in Geotechnical Site Characterization Practice 1970-2019 [Don DeGroot, U. Mass]
4:55 pm	Concluding Remarks and Door Prize Drawing

REGISTRATION

Register online at <http://kgeg.org/orvss/>. Credit card and check payments will be accepted.

Credit card payments can be made through the online registration.

If paying by check, register online and mail checks to:

Stantec

Attn: Carrie Hay, ORVSS L

10509 Timberwood Circle Suite 100

Louisville, KY 40223-5308

Make checks payable to **ORVSS 2019**
