

NOVEMBER 2005 SEAoK MEETING ANNOUNCEMENT

with

Dr. Wayne Karem, PE
Mr. Rob Folsom, PE

Covering

Auger Cast Pile Foundations (ACIP): Design, Construction and Inspection

When: Friday, November 11, 2005 from 3:00 to 4:30 p.m.
(Board meeting from 2:00 to 3:00)

Where: Engineering Center
1st Floor Board Room
160 Democrat Drive
Frankfort, KY

Presented By: Wayne Karem, Ph.D, PE, PG, and
Rob Folsom, PE
with Qore Property Sciences. Their combined experience exceeds 30
years with geotechnical engineering including extensive experience with
ACIP design and construction.

Cost: Free

This program will provide valuable insight into the design, construction and inspection issues related to auger cast pile foundations. Examples relevant to design with the KBC and Kentucky soils will be utilized. Up to 1.5 PDH will be available to those that attend.

Please call or email Kelly Gardner with any questions (270)683-2270 (www.kelly@lolley.com).
